Tuia I te here tangata.

Listen to the cry of the bird calling "Unite, unite, be one!"

Unite above, unite below, unite within,

Unite without, unite in the brotherhood of man

Welcome back to Week 4 of Term 1 2018. To those new children and families, we welcome you to our school and know that your children will settle quickly in our environment. The children from Henderson South School are very welcoming to newcomers and we are proud that they actively live the motto of "Caring, Sharing and Learning".

This is a very busy term for everyone. Mr. Diamond and Ms. Rangi are away at an "Indigenous Education Conference" in Waitangi and will return to school next week. The children are taking this time to settle in to their new classes, getting to know their teachers and especially those in the ILE building where the environment and teaching methods are different.

We are still in our Summer Uniforms which require the children to wear Sandals either Roman or similar alternative as shown. These are slightly more expensive but will last much longer than the Roman Style. Available at Number 1 shoe. They need to be plain Black or Brown.

Please do not use the carpark next to the hall as this belongs to the Aonga Mata. The gates will be closed/locked from 2.30- 3.00 as from next week as a safety precaution for the children. If you enter and are shut in please wait until they are opened when the road Patrols finish at 3.00. Children need to leave through the main Pedestrian gate by the hall and use the crossing if they need to cross to a vehicle or walk home. **Also, please do not drive into the main carpark to drop off or pickup your children as this again is a safety issue.**

Some children are being silly on the way home from school and are making nuisances of themselves in the Gull service station by asking people for money and running around the shop. Please talk to your child about coming straight home after school and the dangers of asking people for money.

A reminder re school starting. Children need to be hear by 8.30am to prepare for the day that starts at 8.55am. Coming to school late continuously adds up to a lot of lost learning time and especially the start of day routines. We are obliged to forward regular latecomers to the Truancy Services. If your child is absent from school, please let us know. Continued unexplained absences again require us to refer the children as previously mentioned.

Once again Nau mai, Haere Mai, ki te Kura o Henderson South School.

Keith Scroggins
Deputy Principal
